The Applied Informatics Post Graduate Research Symposium 2017 (AIRS17) welcomes all postgraduate students to share their ongoing research and provide an opportunity to share their work in brief oral presentations. AIRS17 aims to encourage knowledge sharing by providing a platform for interactive discussions with experts in Applied Informatics field which emphasizes on Information Systems (IS) and Information Technology (IT) and its related fields. It also hopes to encourage community-building by connecting early and advanced researchers. We invite students from all Malaysian public and private institutions to submit extended abstracts of current research being undertaken.

### THE EXTENDED ABSTRACTS WILL COVER THE FOLLOWING TOPICS:

- Strategic Information Systems
- Knowledge Management
- Big Data Management
- ICT Governance
- Green Technology and Sustainability

### EXTENDED ABSTRACT SUBMISSION

Extended abstracts should be at most 2-pages in length, including diagrams, figures, tables, etc. The respective authors will be required to give a 20-minutes presentation during the symposium.

### SUBMISSION INSTRUCTIONS

All extended abstracts should be submitted by email to:
