

GUIDELINES FOR ORAL PRESENTATION

Please note the following information for the preparation of your oral presentation:

1. The presenting author will be given 15 minutes for PowerPoint oral presentation.
2. A question-and-answer session will follow the presentation for 5 minutes.
3. The PowerPoint of your presentation file must be submitted to the Head of Scientific during the registration.
4. All meeting rooms for the oral session are equipped with audio-visual equipment, including an LCD projector, laptop, screen, and laser pointer.
