PRESENTATION AND POSTER GUIDELINES

Oral Presentation:

1. The presenting author will be given 15 minutes for a PowerPoint oral presentation, followed by a question-and-answer session for 5 minutes.

Poster Presentation:

1. Poster must be prepared in A1 size (594 x 841 mm) in portrait orientation.
2. The poster's contents (text, illustrations, etc.) should be legible from a distance of at least one meter.
3. The poster, which should be written in the English Language, must be able to stand alone and typically have the following contents:
 - Title (same as submitted abstract) - to be placed at the top centre of the poster
 - Names of all authors with affiliations - corresponding author to be indicated, contact (Email) to be provided
 - Content is essential, but keep it simple, clear & concise
 - The poster should include the following sections: Abstract, Introduction, Methodology, Results and Discussion, Conclusion and References
 - Introduction - motivation, objectives, context
 - Methods and Materials - theoretical models, experimental setup, and procedures (can be a flow chart)
 - Results - highlight the significance of the findings supported by figures, tables, line
 - Use of graphics, colour, and different font types (maximum of two font types) - can significantly enhance your poster
 - Fonts should be legible fonts like • Times New Roman • Arial, etc
 - Colour – use with caution. Not too many colours (generally limited to 3)
4. The conference logo should be placed in the upper left-hand corner, whilst the authors' affiliated institution/university's logo and poster ID should be set in the upper right-hand corner of the poster.
5. Poster presenters must present their posters at the allocated time slots.
