

2026 ICFIC
3rd INTERNATIONAL
CONFERENCE ON FOOD
AND INDUSTRIAL CROPS

**Theme: Feeding the Future,
Fostering Sustainable Food**

3rd to 6th August 2026

Imperial Hotel Bintulu, Sarawak, MALAYSIA

Conference Overview

The 3rd International Conference on Food and Industrial Crops (3rd ICFIC2026) provides a global platform for exchanging knowledge and fostering innovation in the sustainable production and utilisation of food and industrial crops as part of the Congress on Sustainable Agriculture and Food Security (COSAFS2026) taking place from 3rd to 6th August 2026 at the Imperial Hotel Bintulu, Sarawak, Malaysia. The 3rd ICFIC2026 will explore the integration of crop-oriented science, technology, and bio-based materials to promote the sustainable growth and competitiveness of food and industrial crops across Malaysia and the international community.

Under the theme "Feeding the Future, Fostering Sustainable Food", the conference will highlight research and practices that promote climate-smart crop production, technological innovation in precision and digital agriculture, and advancements in food quality, safety, and processing. It will also provide a platform to discuss policy frameworks, socio-economic factors, and human dimensions that influence the transformation of agriculture towards sustainability and resilience.

Themes

- **Industrial Crops Production and Environment** : Focuses on sustainable crop production, resource efficiency, and environmental stewardship in food and industrial crops.
- **Agricultural Technology** : Highlights modern innovations, including precision farming, biotechnology, and digital tools, for smarter and more efficient agriculture.
- **Food Sciences** : Covers food processing, safety, quality, and value addition through research and innovation in food products.
- **Agricultural Policies and Human Dimensions** : Examines policies, socio-economic factors, and community engagement that drive sustainable and inclusive agricultural development.

Keynote Speaker

Dr. Md. Yusof Husin
Hexagon Green Sdn. Bhd., Malaysia

Plenary Speaker

Prof. Dr. K. Sudesh Kumar
Universiti Sains Malaysia (USM), Malaysia
