0. How to use this Template (Read and delete this paragraph)

This is the template for you to prepare your abstract for the IASS. Note that this section has a corresponding style, which can be found in the IASS_Abstract Guidelines given. Kindly do not change them.

The IASS is a student-centered conference which puts a high emphasis on actions taken by the presenters (students) in tackling problems faced by their respective communities. As stated in the IASS Abstract Guidelines, the contents should fit in the IASS requirements and provide clear answer to the theme. Please note that your abstract **MUST NOT exceed 1 page**.

Delete this paragraph once you are clear with the instructions given. For any questions, please contact us at iass@upm.edu.my
