

11th ICPT 2019

International Conference on Road and Airfield Pavement Technology 2019

Wednesday 10th - Friday 12th July 2019
Seri Pacific Hotel, Kuala Lumpur, Malaysia

The 11th International Conference on Road and Airfield Pavement Technology 2019 (ICPT 2019) will be held in Kuala Lumpur from 10th to 12th July 2019. The conference is hosted by Highway and Traffic Engineering Unit, Department of Civil Engineering of Universiti Putra Malaysia. This conference is a longstanding event that brings together road and airfield pavement researchers, engineers and government officials to promote up-to-date, highly relevant and practical pavement technological advancement worldwide.

Papers are invited from local and international authors encompassing, among others, the following streams in tandem with the conference theme.

Papers should be written in the following topics:

Pavement Design, Evaluation and Performance	Pavement Construction	Pavement Materials Characterization
Sustainability in Pavement Engineering	Pavement Preservation	Pavement Maintenance and Rehabilitation Techniques
Pavement Management Systems and Financing	Pavement and Transportation Safety	Law and Enforcement Related to Pavement Engineering
Pavement Drainage and Erosion Control	GIS Application for Pavement	Quarry Material Assessment for Pavement
Pavement Instrumentation	AI & IT Application in Pavement Engineering	Other Pavement Related Topics

Papers shall be submitted in two (2) stages; first as an abstract and then as a full paper after the abstract has been accepted. Papers submitted should be original and have not been published and/or presented elsewhere.

Selected papers for the conference are expected to be published in reputable journals (SCOPUS Indexed Publications).

All abstracts and full papers must be submitted through the online submission platform which is available at **11th ICPT 2019 International Conference on Road and Airfield Pavement Technology 2019**.
