

2nd ICPoFiVD 2026

2nd INTERNATIONAL CONFERENCE ON POULTRY AND FISH VACCINOLOGY AND DIAGNOSIS Innovating Animal Health: Bridging Traditional Practices with Future Solutions in Vaccines, Therapeutics, and Surveillance

28-29 July 2026

The Everly Putrajaya Hotel, Malaysia

ABOUT THE CONFERENCE

The 2nd International Conference on Poultry and Fish Vaccinology and Diagnosis 2026 (2nd ICPoFiVD) brings together global experts to explore innovative solutions in animal health, with a focus on poultry and aquaculture. Centered around the theme "Innovating Animal Health: Bridging Traditional Practices with Future Solutions in Vaccines, Therapeutics, and Surveillance," the conference highlights recent advancements in diagnostics and vaccination technologies that are reshaping the industry. These developments not only open new avenues for research but also present challenges that must be addressed to ensure sustainable animal production. As animal health is closely tied to food security and the prevention of zoonotic diseases, the conference emphasizes the need for integrated approaches that go beyond conventional methods. With rising concerns such as antimicrobial resistance and emerging pathogens, the event provides a timely platform for farmers, scientists, veterinary professionals, and pharmaceutical companies to share knowledge, foster collaboration, and design practical strategies for the future. Through networking and interdisciplinary dialogue, 2nd ICPoFiVD aims to strengthen innovation and resilience in veterinary science, supporting a healthier and more secure global food system.

WHO SHOULD ATTEND?

- ✓ Academicians
- ✓ Scientists
- ✓ Policy makers
- ✓ Veterinarians
- ✓ Entrepreneurs
- ✓ Students

REGISTRATION FEE

Local student	RM700
Local participant	RM800
Member of MFS/AFS/ WVPA/WPSA	RM750
International participant	USD300

Students need to upload a colored scanned copy of their student ID card during registration and abstract submission. Foreign students studying at universities in Malaysia are considered local students. Registration fee will cover the 2nd ICPoFiVD abstract and program books, conference materials, food and beverages.

ABSTRACT SUBMISSION

Interested participants are required to submit an abstract for oral or poster presentation. Please submit a one-page abstract in MicrosoftWord file via 2nd ICPoFiVD official website. Use Times New Roman, font size 11 and a single spacing. The abstract should include research title, author/s, affiliation/s, corresponding author's email, research summary and keywords. Abstract should be written in English, not more than 300 words.

- Title: Bold, centered and capital letters, with the exception of scientific name which should be upper/lower case and italicized
- Author: Full name of author/s and the first name should be the presenting author. Corresponding author should be indicated with an asterisk (*)
- Affiliation: Provide full affiliation for all authors, centered and email address for the corresponding author only
- Abstract: Not more than 300 words, one page only
- Keywords: Not more than 5 words,

IMPORTANT DATES

Registration and abstract deadline	15 th May 2026
Payment deadline	15 June 2026
2 nd ICPoFiVD conference	28-29 July 2026

Only abstract with a complete payment before 15th June 2026 will be considered for publication in abstract book.

SECRETARIAT

2nd INTERNATIONAL CONFERENCE ON POULTRY AND FISH VACCINOLOGY AND DIAGNOSIS 2026
Institute of Bioscience, Universiti Putra Malaysia
43400 UPM, Serdang Selangor, Malaysia
