 You will be brought to the following page to join the event. Fill in the Registration ID if is it not automatically filled as per emailed details. Click Join Now to start/install Webex application.

 Once you click Join Now, you will be brought to the following page to go the Webex Application. If you have problem Starting Webex, click on Run a temporary application to join the conference

• The Webex installation will be done automatically by the browser

Meet face to face. Wherever you are.

cisco Webex

• If you use Chrome, you need to add add-on extension to the browser by clicking the green **Add Webex to Chrome** button

Step 1 of 2: Add Webex to Chrome

Don't want to use an extension? Run a temporary application to join this meeting.

• On the Chrome extension page, click Add to chrome blue button

 Once the pop-up of Add "Cisco Webex Extension" appears, click Add Extension

 Once extension is added, you need to install the Cisco Webex add-on exe file downloaded to your PC

• The installation of Webex application should be started after that

 Once installation done, you will enter the conference room and please click Join Event to confirm your attendance.

• Now you are in the conference room and happy conferencing!

If you have any inquiries regarding the SOP and the presenter's name in the tentative, please do not hesitate to contact us. The latest information will be updated in the official V-MTC 4.0 2020 Conference website.

Thank you very much and have a good day ahead. Regards,

Secretariat
