E-POSTER EVALUATION FORMAT

REVIEW COMMITTEE

Judging will be conducted by two or more individuals appointed by the v-MTC Committee. Each poster will be assessed/ evaluated according to the following criteria: identification of problem, research method, novelty of project/ innovation/ discovery, research impact/significant/ contribution to society, poster presentation/organization, participants' confidence/knowledge, originality, and overall visual presentation.

The organising committee will send blinded E-posters to the v-MTC4.0 judges before the event begin on 2nd September 2020.

WINNER

From all received e-posters, all the poster will be evaluated and access for short oral presentation (10 minutes). All E-posters will qualify for the Poster Medal Prize (Gold, Silver and Bronze medal).

GUIDELINES FOR SUBMISSIONS

Authors must submit their work electronically to the v-MTC4.0 Committee in its final format as a E-poster in a PDF format. The E-poster must follow the E-poster template as uploaded on our website.

Regards,

v-MTC4.0 scientific committee
