iSEA Pre-Conference Workshop 2025

Advancing Bioimaging with Light & Electron Microscopy

Who should join?

- Imaging scientists & core imaging staff
- Post graduate students & Researchers
- Anyone passionate about imaging

Interesting workshops

- Day 1: Basic microscopy for Light Microscopy (Confocal/Live Cell Imaging) & Electron Microscopy
- Day 2: Deep dive into Image Analysis using Fiji, Imaris & Aivia software

Speakers

- Experienced & experts from Light and Electron Microscopy

Date & Venue

- 10th -11th November 2025
- Microscopy Unit, Institute of Bioscience, UPM

Registration Fees

- Local Malaysian: MYR 350
- Non-Malaysian: USD 100
